

West Point Wireless Security Camera RFP
Addendum #3

The Housing Authority of Columbus, Georgia (HACG)

The following are additional questions that were submitted via email:

1. Would the Authority accept an alternate type camera to the Pan Tilt Zoom (PTZ) cameras in the RFP?
Please submit 14 non-PTZ cameras type as base cost.
2. Would the Authority consider a substitution for the requested “3.1” megapixel, 1080p, HDTV PTZ Camera?
The Authority will accept a 2.1 megapixel, 1080p, HDTV Camera or greater.
3. Could the Authority clarify the page 8 Scope of Work Section II. Products (a)-Statement “Police-Quality cameras”?
Please provide a high quality professional camera system, the statement will be removed the scope of work.
4. Would the authority consider revising the specific language on page 8, for the required recording time of 60 days at 30 frames per second?
The required recording time should be 30 days at 15 frames per second (4-TB storage minimum).
5. How many hard copies should we submit?
Please submit one original and five copies for a total of six.
